#### RELEVANT EXPERIENCE

##### **Summary:**

**Mr. Paul Brzostek is considered a Subject Matter Expert in various skill sets. He has over 32 years of documented training classes that he provided for the US Air Force, US Navy, US Marine Corps as well as civilian firearms training for Blackwater, Lone Star Weapons and Tactics (LSWAT), the Department of State and Dobeshtic International in Iraq. He is recognized in the field of firearms training and tactics as one of the best. He also extensive abilities in writing curriculum and presenting it to various clients. He has personally trained over 900,000 active, reserve and government personnel. His skills as an evasive driving instructor has saved the lives of many personnel assigned to the DIA and Department of State that have attended his training and deployed overseas. Paul is certified and has managed overseas operations for various government agencies. Paul has trained and evaluated various embassy personnel assigned to surveillance**

detection teams and has traveled extensively providing this training. As a manager/director of operations Paul has over 30 years of supervisory experience. In Iraq he was responsible for security operations and directly managed over 347 Iraqi and Kurdish security personnel in static and mobile security operations supporting the US Army SF unit out of K-2 near Bayji. Paul was instrumental in the capture or destruction of 38 high value targets. He also provided security support to clients from WGI, GE, Seimans, and FlourAmec with a 100% satisfaction rate and no lost or injured personnel.
