

**Personal Protection Specialist
Security Contractor**

Timothy J. Wilson

Ladies and Gentlemen,

I am extremely interested in exploring employment opportunities in high-threat security with your organization. Enclosed is my resume for your review and consideration.

With more than 15 years of multifaceted experience and training in executive protection, medical, mobile security operations and law enforcement environments with demonstrated success. I am dedicated, self-motivated, and have the proven ability to quickly adapt to new and challenging responsibilities and become a productive team contributor. Specific areas of expertise include, highly developed interpersonal communication and relations skills, expertise in smoothly handling multitask responsibilities in fast paced environments requiring a strict attention to detail. In addition, I possess extensive experience in international executive protection and the proven ability to develop foreign interpersonal and business relations.

Based on my skills and proven achievements, I would appreciate an opportunity to discuss with you, in person, how my qualifications would match your needs. I am certain I can pinpoint additional areas of expertise which will enhance my contributions as an integral member of your technical support team.

Thank you for your time and consideration. I look forward to meeting with you soon.

Sincere regards,

Timothy J. Wilson

OVERVIEW OF SECURITY / MOBILE SECURITY OPERATIONS - IRAQ

I was chosen by Triple Canopy to join a team of six security operators attached to United States Army Task Force based within the Iraqi combat theater of operations, O.I.F. Duties and responsibilities included that of Tactical Commander of mobile security operations, Outpost Medic & Mobile Medic, Security Site-Lead and Personal Protection Specialist.

Duties as Tactical Commander

- * High-Risk protection and transportation of high-value targets within Iraqi theater of operations
- * High-Risk personal protection and transportation of United States Military and Department of Energy personnel
- * Successfully planned and executed over 300 convoy missions to date without serious incident
- * Responsible for emergency coordination of U.S. Army Quick Reaction Force and Med-Evac teams
- * Locate/secure landing zones for incoming United States Army Quick Reaction Forces and Med-Evac extraction
- * Adhere to MNFI rules of force and engagement
- * Attend daily Top Secret U.S. Military intel briefings for joint coordination of convoy missions and IED updates
- * Daily convoy mission briefings of approximately 50 personnel prior to each movement
- * Convoy logistics and route planning
- * IED-EFP-RPG-SAF contact contingencies
- * IED-EFP identification
- * Field intelligence gathering
- * Combat medical casualty care and evacuation
- * Weapons and tactical training of fifteen convoy security team operators
- * Responsible for daily log, action taken on contact and medical reports
- * Tasked with duties as Forward Operating Base/Mobile Security Convoy Medic for approximately 120 personnel
- * Recipient of two achievement awards presented by the United States Army for my team contribution as tactical commander of mobile security operations, outpost & mobile medic and security site-lead
