Ladies and Gentlemen:

I am extremely interested in exploring employment opportunities as a **(fill in position here)** with your organization. Enclosed is my resume for your review and consideration.

You will note that I have in-depth formal training, relevant certification, and 7 years U.S. Marine Corps and Defense Contractor experience with demonstrated success. Throughout my background I have become known for my ability to handle diverse and multiple levels of responsibility ranging from the operation of state-of-the-art surveillance electronics, to the training and coaching of security personnel.

My personal profile includes the highest degrees of dedication, self-motivation, and productivity, with a proven ability to quickly adapt to new and challenging responsibilities and deliver high-impact results. I have a current Secret Clearance and advanced quickly into team training, mission planning, and weapons/ordnance management functions based on recognized superior performance. In addition to the many core competencies detailed in my attached resume, I also have well developed communications and interpersonal relations skills, with solid experience conducting briefings to senior decision makers as well as providing instruction on complex surveillance technologies.

Based on these factors, and a review of my additional career highlights detailed below, I would appreciate an opportunity to discuss with you, in person, how my qualifications would match your needs. Given an interview, I am certain I could pinpoint additional areas of expertise which would enhance my contributions as an integral member of your organization.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Darius J. Rice
