### **CAREER QUALIFICATIONS:**

I have over twenty years' experience with military, law enforcement, personnel management, training management, and program management. I have experience working with different cultures and establishing positive work relationships. My extensive supervisory, communication, analytical, flexibility, problem solving skills and strong work ethic have always been added value to organizations.

### **SUMMARY OF QUALIFICATIONS:**

CENTCOM AOR Experience	Report & Document Preparation	Analytical Skills
Former US Army Officer	Austere Environment Experience	Planning Skills
US/NATO Experience	Problem Solving	Communication Skills

### **PROFESSIONAL EXPERIENCE:**

#### **Consultant, 6Zero01 Consulting, Augusta, Georgia** (Aug 13-Present)

I assist organizations solve issues, create value, maximize growth and improve their business performance. I provide objective advice, expertise in given areas/specialized skills to guide an organization towards their intended goals. Focus is placed on the strategy, structure, management and operations of an organization. I identify options for the organization and suggest recommendations for change, as well as helping with additional resources to implement solutions.

#### **Mentor/Trainer, Summit Technical Solutions, Poland** (July-Aug 13)

Provide short term mentoring in support of the NATO Joint Force Training Center (JFTC) in Bydgoszcz, Poland. During this assignment I conducted Non Commissioned Officer Development training for NATO personnel deploying to Afghanistan to serve as Military Advisor Teams and members of Operational Coordination Centers (OCC).

#### **Training Manager, Engiliv, Kurdistan** (Sep 12-Jul 13)

Direct personnel management responsibility for 23 personnel. I was responsible for the execution and success of the Kurdish Regional Government's Train the Trainer (T3) training program. The T-3 program was designed to develop Kurdish junior military officer and NCO leaders into trainers capable of conducting basic combat training for the KRG regional guard brigades. I ensured that the team trainers were trained, prepared and equipped to execute their duties and responsibilities of their assigned areas and adhere to the established Program of

Instruction, training schedules, standing operating procedures, and all corporate and local policies and procedures.

**Deputy Program Manager, MPRI, Afghanistan** (Apr 12-Sep 12)

Successfully managed multi-million dollar, multi-year contract spread out in 10 provinces throughout Afghanistan. Serve as part of a Combined Joint Task Force team assigned to support Civil Information Management within Regional Command- East. Assist with day-to-day management of Commander's Emergency Resource Program (CERP). Effectively participate in Operational Planning Teams and other workgroups as may be formed, representing CJ9. Maintain familiarity with web-based integration of data and the ability to input, manipulate, and extract data from diverse sources. Manage workflows and data management processes of units subordinate to the CJTF and Regional Commands. Administrative duties included ensuring common operating procedures were observed, in-out processing of personnel, submit movement requests, conduct periodic briefings to Colonel-Major General Officers, and submit reports as required.

**Brigade Information Manager, MPRI, Afghanistan** (Oct 10-Feb 12)

Provide Information Management in support of USFOR-A Civil Military Operations. Responsibilities include day-to-day entering and management of reports into the Combined Information Data Network Exchange (CIDNE) system, coordinating meetings, and managing Information Management projects. Administrative duties included but were not limited to, in-out processing of personnel, submit movement requests, conduct weekly briefings to the commanding O6/Colonel.

**Training Team Leader, MPRI, Mazur I Sharif, Afghanistan** (Aug 09-Sep 10)

Serve as a Team Leader in support of Afghan National Army New Equipment Training (NET) Weapons Training Program. Responsible for fielding North Atlantic Treaty Organization (NATO) weapons systems to the Afghanistan National Army (ANA). I managed operational and administrative activity for 12-15 trainers and 7 interpreters. Established and maintained relationships with local Afghan leadership.

**Training Team Leader/SME, MPRI, Al Kasik RTC, Iraq** (Mar 08-May 09)

Under limited supervision, planned, evaluated, analyzed, implemented and presented training program to members of Iraq Security Forces (ISF). Training developed skills that directly contributed to ISF success in defending Iraq. Ensure daily coordination and training interactions with senior level Coalition Force staff members, and senior level ISF counterparts on how to operate institutional training for Iraqi soldiers at all training levels.

**ACOTA S-3 Trainer/CAX Operator, MPRI, Nigeria-Tanzania, Africa** (Jan 08-Mar 08)

As a member of African Contingency Operations Training and Assistance Program (ACOTA) Field Training Team I helped enhance the Peace Support Operations (PSO) capacities of the Nigerian and Tanzanian Armies. Prepared lesson plans and related exercises enhancing soldier's ability to perform Peace Support Operations in Darfur.

**Mobilization Deployment Specialist, SERCO, Ft. Campbell, Kentucky** (Sep 07-Jan 08)

Under general supervision support the Deployment and Mobilization mission by assisting Service members and their families throughout the Family Morale Welfare Recreation and Command (FMWRC), Army Community Service (ACS). Conduct training and education that supports families, builds coping skills, and eases the trauma of transitions experienced by military families for the direct purpose of improving the quality of life for Service members and their families. Coordinate and provide briefings to On-post and Off-post family members.

**Senior Operations Coordinator, KELLOGG, BROWN & ROOT, Iraq** (Aug 05-Feb 07)

While assigned to LOGCAP III Headquarters and a regional headquarters I assisted LOGCAP III project teams by developing and implementing common work processes/procedures, maintained databases and provided other administrative assistance as required.
