## ALI M . ALJAZI

Dear Sir

to express my interest in becoming part of the young professionals program. I am captivated by the significant responsibilities , i am achievement-oriented type of person. As an undergraduate, all management and supply chain matter get unity together HR , logistic , procurement , inventory system  
However i have a team with 80 persons with 8 stores and 4 different sections actually its NAVAL base ,

I work now to setup new system control inventory system and procurement with Oracle , my knowledge in computer and network system is wide .Through my experiences and academic background, I have acquired determination, independence, initiative, and the ability to learn quickly and apply that learning pro actively. Equipped with interpersonal skills enhanced by education at excellent schools, and bolstered by unique experiences, I am confident that I can contribute significantly to you.

have an understanding of humanitarian contexts and can work in a pressured and changing environment, while working as a part of a team. I believe that my expertise in social media combined with my motivation and enthusiasm and my ability to interact with various multi-cultural people will make me an extraordinary asset to your communications department.

I welcome an opportunity to discuss further and I thank you in advance for reviewing my application.

,Yours Sincerely

ALI JAZI
