**SPECIAL OPERATIONS ♦ SOURCE OPERATIONS ♦ COUNTERINTELLIGENCE ♦ HUMAN INTELLIGENCE**  
**DEFENSE STRATEGIC DEBRIEFER ♦ COMBAT ENGINEER ♦ BUSINESS OWNER**  
**Department of Defense Top Secret SCI Clearance • Purple Heart Veteran**

*As a driven former Special Operations and Intelligence professional, I am eager to transition my leadership experiences to the private sector. I have extensive experience in combat operations, instruction, analysis, consultation and planning to include both domestic and abroad. Through my fifteen years of service and four combat deployments, I learned to easily and efficiently dissect complex problems, identify and influence key stakeholders, develop sound solutions, and ensure mission accomplishment and goal achievement. Further, I perform well individually and in groups, adapting easily to changing environments.*

## CAREER & MILITARY HIGHLIGHTS

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

## PROFESSIONAL EXPERIENCE

**SPECIAL FORCES TACTICAL HUMAN INTELLIGENCE TEAM SERGEANT**, 3<sup>rd</sup> Battalion, 7<sup>th</sup> Special Forces Group (Airborne), Fort Bragg, North Carolina, Eglin AFB, Florida; March 2010 – June 2014, (40+ hours / week)

- Commanded a 7-man Tactical Human Intelligence Team organized and equipped to conduct Human Intelligence (HUMINT) and Counterintelligence (CI) collection and analysis, Interrogations, Surveillance and Surveillance Detection, Unconventional Warfare (UW), Special Reconnaissance (SR), Direct Action (DA), Site exploitation, Detainee Operations and Foreign Internal Defense (FID) in support of strategic objectives within the USCENTCOM/USOUTHCOM/USNORTHCOM areas of responsibility, with a focus on Central America, South America and Afghanistan. Responsible for all aspects of command, control, communications and intelligence as well as the welfare of all team members and over \$2.5 million worth of equipment.
- Hand selected to serve in a highly sensitive US Secretary of Defense directed mission for 12 months in western Afghanistan. Conducted over 80 low-visibility operations and managed four national level assets. Supervised the accountability and daily inventory of \$1.5 million worth of Operational Funds and \$4.5 million in operational equipment without discrepancies.
- Utilized Advanced Special Operations networks that included human and physical infrastructure to plan and coordinate 12 major operations with inter-agency partners, yielding results that had an impact on US Government foreign policies in denied areas.
- Hand selected to conduct targeting and DA in support of a National Asset Commando Mission in Central Afghanistan.
- Maintained and increased proficiency with US and Foreign weapons, demolition, and combat tactics.
- Managed HUMINT and CI analysis for intelligence collection for four national level assets and five local area assets.
- Served as the leader for a joint inter-agency intelligence cell focused on collection in denied areas.
- Served as an advisor and mentor for Intelligence in support of building doctrine and training for the Afghanistan Special Forces Qualification Course.

**COUNTERINTELLIGENCE SPECIAL AGENT COURSE**, United States Army Intelligence Center, Fort Huachuca, Arizona; September 2009 – March 2010, (40+ hours / week)

- Educated in Source Operations, Foot and Mobile Surveillance, Counterintelligence Investigations, Evidence Collection, Sensitive Site Exploitation, Intelligence Collection methods and security procedures.
- Selected for the Commandant's list for exceeding the course standards during the duration of the course.

**UNITED STATES ARMY RECRUITER**, Fredericksburg Recruiting Station, Potomac Recruiting Company, Baltimore Recruiting Battalion; August 2006 – September 2009, (40+ hours / week)

- Earned the Glenn E. Morrell Award along with every decoration that can be earned as a recruiter. A feat not normally accomplished by a detailed recruiter with short duration.
- Hand selected over peers to serve as Assistant Station Commander, due to my professionalism, proficiency and leadership ability. This is a position normally reserved for career recruiters.

**COMBAT ENGINEER SQUAD LEADER**, *Echo Company, 3<sup>rd</sup> Battalion, 7<sup>th</sup> Infantry regiment, 3<sup>rd</sup> Infantry Division (Mechanized), Fort Stewart, Georgia; Jan 2003 – August 2006, (40+ hours / week)*

- Served as a Combat Engineer Squad Leader, Assault Team Leader, Demolition Team Leader, Armored Vehicle Launched Bridge (AVLB) Squad leader and Track Commander.
- Conducted Demolition, Combat, Patrol, and DA operations through two deployments to Iraq in support of Operation Iraqi Freedom (OIF) 1 and OIF 3. Trained and mentored various Iraqi Army units in tactics, techniques and procedures to allow them to conduct bilateral and unilateral operations against enemy combatants.
- Inducted into the Sergeant Audie Murphy Club, an organization reserved for the top 10% of Non Commissioned Officers in the US Army.
- Trained in area and urban breaching, landmine warfare, demolition systems and explosives.

**COMBAT ENGINEER**, *Headquarters and Headquarters Company 105<sup>th</sup> Engineer Battalion, 30<sup>th</sup> Engineer Brigade, North Carolina Army National Guard, Winston-Salem North Carolina; June 1998 – January 2003, (40+ hours / week)*

- Conducted a joint humanitarian effort to build a modernized hospital in the Country of Moldova.
- Hand selected to serve on a relief team for a devastating hurricane in the state of North Carolina.
- Managed Combat Engineer training and operations for a National Guard unit as a lower enlisted soldier.
- Earned the Distinction of Soldier of the year for the Brigade.
