

MARTIN ROTHMANN

Date of birth: 26 February 1977 || Nationality: Danish

Civilian Professional Experience

Anti-Piracy Security Advisor / Team Leader, Drum Cussac

Tanzania and Indian Ocean

2010-Present

Serve as primary security advisor to vessel Captain and contact for company. Command team of contract security advisors and Tanzanian Navy servicemen, set security protocols and provide crew with training in case of pirate attack during 7-10 week deployments. Design and implement physical protection regime for ship's crew. Advise Captain on evasive and defensive actions to prevent hijacking and hostage-taking whilst at sea. Protection of Oil & Gas installations and seismic operations at the East coast of Africa and throughout the Indian Ocean.

Personal Protection Operator, USAID Election Mission, Watan Risk Management

Afghanistan

Aug-Sep 2010

Served as Personal Protection Operator in a large Security setup providing Personal Security Detail during legislative elections of 2010 and was during this Second-in-Command for a long-term election observation team. For this mission we had in our motorcade 1 soft skin vehicle and 1 B6 Armored vehicle. As part of my assignment I oversaw a team of 5 Afghan security staff.

Anti-Piracy Security Advisor / Team Leader, Shield Consulting

Gulf of Aden, Red Sea, Indian Ocean

2009-2010

Served as primary security advisor to vessel Captain and contact for company. Set protocols and provided crew with training in case of pirate attack, and commanded team of contract security advisors during 2-4 week shipping transits. Designed and implemented physical protection regime for ship's crew. Advised Captain and shipping line on evasive and defensive actions to prevent hijacking and hostage taking whilst at sea.

Loadmaster, Scandinavian Airline System

Denmark

2007-2008

Responsible for distributing and securing passenger jet loads, including hazardous materials, inspecting and assisting with rigging, and preparing weight and balance summary sheet for pilots. Reviewed load plans, conducted cargo on/offload operations, inspected and applied cargo restraint devices, and assisted passenger boarding / deplane. Performed both normal and emergency procedures involving load, passenger and cargo area. Qualified to drive all prime mover equipment (forklift, K-loader, Cochran loader, etc.) Expert in various tie-down methods.

Freelance security and protection services, Denmark
